PRESS RELEASE

For Immediate Release

October 2012

Already known for creating such marketing brands as "*Count on Us*" for the Accountants Society of Virginia and "*The Heat is On*" for the West Virginia Propane Gas Association, Non-Profit Help has helped the Virginia Society of Association Executives with its latest membership message.

"*Grow Professionally...because you can't do it alone!*" is the branding message VSAE unrolled in its new 2012-13 membership brochure which NPH staff proposed as the society was redoing its membership efforts.
